Please explain why you feel the student would be successful:

I give the above-named student permission to participate in the Virtual High School Reach Ahead program. I acknowledge that enrolment of the student in Reach Ahead courses is an optional decision and I agree to waive all claims against Virtual High School and its officials with respect to any unexpected outcome that might occur in connection with this program. While the Ontario Ministry of Education has a stated policy on Reach Ahead, (http://www.edu.gov.on.ca/eng/document/policy/os/onschools_2016e.pdf), I understand that it is my responsibility as parent/guardian to check with the principal of the high school which the student will attend in grade 9, to ensure the student is supported in taking a Reach Ahead credit. I am aware that a grade 9 student attending public, private or separate school in the future may still be required to have a full timetable even upon completion of credit(s) in advance.
