

The Virtual Elementary School Bursary Program

Application Package

The Virtual Elementary School Bursary Program ensures that Virtual Elementary School (VES) courses are accessible to students from a wide range of socio-economic backgrounds. The bursary is awarded to a student based on a family's financial need.

The VES Bursary is issued six times per calendar year in the months of February, April, June, August, October, and December. One candidate will be chosen each submission period to receive this bursary. Students granted the bursary will receive the full tuition for **one facilitated course**. This bursary is non-transferrable, and successful applicants must use the bursary within 90 days from the date it is issued. The bursary must be applied to a future enrolment following the issuance of the bursary and cannot be applied to a current enrolment. Students may receive this bursary once per calendar year.
